Deacon-elect Terry Aspell: Terry Aspell, who will be ordained as a Permanent Deacon for the Diocese of Clifton next July, has written to thank all at St Saviour's & Our Lady's for the warm welcome he & his family received last weekend as he visited his old home parishes, and assisted at the Masses. It was a very special occasion for him. Please keep Terry and his family in your prayers as together they approach this special time.

Changed Weekday Service Times: As a result of some of our Clergy being away at this time due to ill health, and the rightful need for others to take holidays, many of our regular Service Times across our Four Churches have been disrupted. In the background there has been a lot of hard work to try and find cover and see that all needs are catered for. With there being fewer Clergy available, and our Retired Priests receiving many requests for help, this task has not been easy. We ask people's understanding, patience and support during this time. Do please keep the needs of our Local Pastoral Area in your prayers.

The NNPM - National Network of Pastoral Musicians - was set up in July 1996. It is an informal group of people of many denominations whose aim is to meet to learn from each other and experience prayer and music in common. It is holding its bi-annual weekend conference for the first time in Chester from 23rd to 25th July.

This is an excellent opportunity for musicians and singers from our diocese to meet some of today's best hymn writers including Bernadette Farrell and Christopher Walker, to participate in some excellent workshops, including one on liturgical drama led by Stella McGann and our own Pilgrim Troupe, to join in acts of worship, and to meet others who lead and support music for the liturgy week by week throughout the year.

The simple motto: *'If I've made myself responsible for opening the Church, I'm responsible for seeing that it's closed'* is a good one to follow at this time.
